**Summary of reasons  
for classification:**

The publication entitled *DVD Disc B* is classified as:  
Objectionable.

The publication comprises 18 unrelated scenes of sexual activity, erotic dancing and covert filming, designed for the sexual arousal and gratification of adult males. The DVD contains material that promotes and supports the exploitation of young persons for sexual purposes, the use of violence and coercion to compel a person to submit to sexual conduct, and the use of urine and excrement in association with sexual conduct, respectively.

The Classification Office has considered the effects of the Bill of Rights Act on the application of the classification criteria. The classification of the publication interferes with the freedom of expression, but this is an outcome that reflects the concern of a free and democratic society to prevent the availability of publications that promote and support the exploitation of young persons for sexual purposes, the use of violence and coercion to compel a person to submit to sexual conduct, and the use of urine and excrement in association with sexual conduct.
